

We are a Victoria based company dedicated to improving seniors' quality of life through creative technology. We develop, manufacture and sell sophisticated monitoring and emergency call technologies mainly to the United States. Ours is a fast-paced environment where hard work, initiative, teamwork and flexibility are prized, and we are looking for a like minded individual to fill a key role in our Company. As a smaller organization we have a collaborative, open door culture based on trust where new ideas are welcome. If you have a strong work ethic and are looking to make a difference and feel appreciated, we would invite you to join our team.

Are you...

- Outgoing, organized and driven?
- Fearless about calling and meeting new people?
- Full of determination and grit to work through obstacles?

This position may be ideal for you as it provides not only the ability to make a difference in the lives of those our customers serve but also the opportunity for meaningful financial upside if you achieve long term success.
