

Vigil is dedicated to improving seniors' quality of life through creative technology. We develop, manufacture and sell sophisticated monitoring and emergency call technologies throughout North America. Ours is a fast-paced environment where hard work, initiative, teamwork and flexibility are prized, and we are looking for a likeminded individual to fill a key role in our Company. As a smaller organization we have a collaborative, open door culture based on trust where new ideas are welcome. If you have a strong work ethic and are looking to make a difference and feel appreciated, we would invite you to join our team.

You must be a top performer with the ability to grow a territory independently. You prefer traveling and meeting new people to being in an office every day. The position has uncapped commissions upside in a growing industry where the solution makes a real difference in people's lives. You will need to build relationships, work hard and commit to overcoming a long sales cycle. Successful individuals enjoy a rewarding career in a professional sales environment.
